

Fundraising Event Set for Pet Loving Wine Drinkers

County Wide Wine Industry Fundraiser For Woods Humane Society

Saturday, April 25th, 2009 marks the First Annual Wine 4 Paws fundraiser. Throughout San Luis Obispo County, participating wineries will donate a portion of the day's proceeds to Woods Humane Society. Woods has partnered with more than 20 wineries to help raise awareness and funds for Woods while promoting this beautiful wine industry. Pet-Loving Wine Drinkers can help our four-legged friends find the loving homes they deserve simply by supporting the local wineries throughout San Luis Obispo County on April 25th! To see a full list of participating wineries and a printable map, go to www.wine4paws.com. Then, head out to any, some or all of the participating wineries to taste and buy wine on April 25th.

Woods Humane Society, Inc. is a locally owned, private, non-profit animal welfare organization that has served homeless companion animals since 1955. Aside from the hundreds of animals they care for each year, the organization maintains partnerships with other local private and county-operated animal shelters in an effort to provide the greatest amount of good for the greatest amount of animals. Woods

Humane Society is also the only animal shelter on the Central Coast with a fully operational spay and neuter suite, where they provide a premier level of care for all of the animals entering their doors. Woods is solely funded through charitable gifts from the community and the need is greater than ever for ongoing financial support. Wine 4 Paws is a local effort in conjunction with the ASPCA's nationwide campaign for Prevention of Cruelty to Animals during the month of April.
